Learn & Grow A Greener Way

FLOWERS VEGETABLES

GARDENING BRINGS LEARNING ALIVE!
PLANT A SEED TODAY

Arizona Fall Planting Tips:

- Plant flowers from seeds and transplant in September and October.
- Veggies can be planted now through late November for fall harvest.
- Basil is a popular herb, but it does not like the cold so plant while the days and nights are still relatively warm.

IN THE NEWS - UPDATES

Holsteiner Agricultural School is excited to announce that all our classrooms are now equipped with SMARTBoards. Students can now collaborate using multitouch gestures, and can interact with lesson content in new and exciting ways, giving them a deeper, and more interactive learning experience!

Our first field trip for 1st - 6th graders will be on **September 13th** to the Challenger Space Center in Peoria.

LifeTouch Picture Day will be **September 20th**. Students do not have to wear their uniform on Picture Day!

Thank you to all parents who get their student to school on time! We appreciate your punctuality.

Teachers love seeing **EVERY STUDENT • EVERY DAY • ALL DAY LONG!**

Thank you for sending in your **Box Tops!**
